

I AM RACKHAM

HONOR ROLL OF DONORS

2018

Your 2018 gift to the Rackham Graduate School was an important contribution in support of graduate students across a broad spectrum of academic fields at the University of Michigan. We wish to extend our sincere gratitude to everyone who has given generously to the Rackham Graduate School during the Victors for Michigan Campaign. With the help of each of you, we exceeded our student support goal of \$30 million, raising more than \$47 million. The faithful commitment of Rackham donors has built a solid foundation upon which graduate education at the University of Michigan will thrive, now and well into the future. Your dedication to the innovative spirit of Rackham students is critical to their success and the trajectory of Rackham as a global leader.

The names in bold indicate first-time donors to the Rackham Graduate School. We are excited to welcome each of them to our community of dedicated individuals who make the graduate experience possible for so many of our students.

Thank you for giving back to graduate students whose work is making a difference in the world. Go Blue!

The Rackham Report and Honor Roll recognizes the generosity of Rackham alumni and friends who donated in 2018. Corporate matching gifts play a vital role in our ability to provide student and program support. In this honor roll, we continue to credit each donor with his or her corporate matching gift. Therefore, you may find yourself listed in a higher giving range than expected.

Thank you again for your generous support of graduate education at the University of Michigan.
