

Study the Humanities at the University of Michigan

Spend two weeks on an intensive research project.

Students will have the opportunity to work on a piece of their own scholarship or develop a research project in consultation with U-M faculty and graduate students in their field. Attention will also be given to articulating the importance of diversity to the development of the humanities. Students will receive practical instruction on applying to graduate school and pursuing careers inside and outside academia.

BENEFITS

\$1,000 stipend
